14 **ORDER RE PLAINTIFF'S FILING OF**  
15 **JULY 15, 2024**

17 Docket No. 43  
18

19 The Court is in receipt of a filing from Plaintiff. It is not clear from the filing what is being  
20 asked of the Court. The filing, however, does not appear to have anything to do with the instant  
21 case which was filed as a social security appeal. In addition, this case has long been closed. This  
22 is at least the second time that Plaintiff has engaged in this kind of conduct. The Court therefore  
23 warns Plaintiff that this case is closed. If he continues to make filings in this case, they will  
24 summarily be stricken.

25 **IT IS SO ORDERED.**
